SAVE THE DATE! 20th-24th June 2022

ACTIV5 is back for summer! It will once again coincide with National School Sports week and is an opportunity for schools to encourage young people to participate in a variety of personal challenges, intra school activities as well as an exciting leadership project.

Schools will receive further details in the coming weeks of ways they can get involved and embed this into their week.

B2022 Commonwealth Day Friday 24th June

The five county areas in Tyne and Wear have joined forces and will be incorporating a Commonwealth themed day into National School Sports Week and "ACTIV5" week.

The day will be delivered by young people to young people. The objective will be to inspire and train young leaders to deliver activities to children and young people on their own school site.

This opportunity will allow schools to be part of a "bigger" event across the county to celebrate B2022 as well as engaging children and young people who need the most support to be active in their school environment. We want to enable the young leaders to learn new skills and build confidence to deliver an opportunity/event during their Commonwealth day.

The Commonwealth year is here! The Games will be held in Birmingham this summer and it aims to bring communities together to drive positive change and improve health and wellbeing across the nation.

The School Games will support the delivery of this legacy by empowering young people to design, deliver and promote Physical Activity & Competition in their schools.

BARCLAYS GIRLS' FOOTBALL SCHOOL PARTNERSHIPS

BY ENGLAND FOOTBALL

Shooting Stars CPD

The North Tyneside Girls Football Partnership would like to offer you a chance to attend some CPD to support the engagement of girls aged 5-11 in physical activity and sport.

The Disney Inspired Shooting Stars by England Football training will take place on Friday 20 May between 9:15 – 3:15pm at Foxhunters Pavilion.

Shooting Stars is made up of two initiatives; Active Play Through Story Telling and Girls' Football Clubs, both programmes have been developed to support the engagement of girls aged 5-11 years old in sport at school and in the home.

You will access training bringing to life the power of the Disney stories in getting girls to be physically active.

if you have any questions regarding the course please email jo.walton@northtyneside.gov.uk

Spring Term part 2 Highlights

Leading the way

We celebrated the FA supported by Barclays 'Biggest ever Football session' last month at Valley Gardens Middle School after working with a fantastic group of year 7 & 8 female leaders.

They designed and organised some superb skill based activities for girls in years 3 & 4 to enjoy, as well as refereeing some mini matches. Being footballers themselves they used their expertise to engage, support and inspire the girls to take part not to be afraid to get involved.

One year 4 pupils asked "Can we do this every Wednesday?!"

#LetGirlsPlay

An 'Iconic' Return

It was wonderful to see the young people enjoying the experience of performing on stage at years Performing Festival. Twenty eight schools and over 570 young people showcased their iconic dance pieces.

The event was recorded and shared with the parents and families.

It has been fantastic to hear all about the positive impact the festival has had. Examples include increased levels of self-confidence, improved ability levels & physical activity levels, a sense of achievement and an inspiration to continue dancing both in school and outside of school.

A dancer from one of the schools said "We had the best time ever!"

Well done to everyone involved!

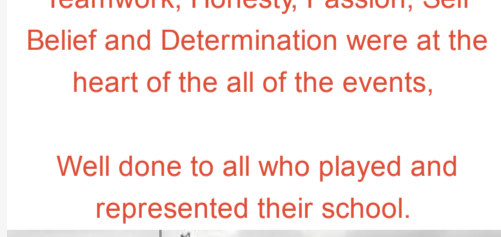

Hockey Hype!

There were over 540 young people in years 3-6 who picked up their hockey sticks last term and played in some competitive inter schools matches.

The events were organised to ensure school teams were matched appropriately, according to the young people's experience and ability levels. The School Games Values; Respect, Teamwork, Honesty, Passion, Self Belief and Determination were at the heart of the all of the events.

Well done to all who played and represented their school.

A special mention to the Year 5/6 Kings Priory & Valley Gardens teams who progressed to the Tyne and Wear finals. They played brilliantly and finished in 2nd & 3rd place, receiving silver & bronze medals.
